

Modern British Railway Stamps

This catalogue on a CD is compiled and produced by the British Locals Philatelic Agency and contains details of 44 Modern British Railway stamps and covers. It is divided into 5 sections as follows:

1. Introduction
2. England
3. Isle of Man
4. Northern Ireland
5. Wales

Stamps and covers are shown in colour and many of the sections contain details of the railways that issued them.

Prices are shown in Euros giving collectors an idea of the value of their collection and the validity of the prices when stamps are offered for auction.

Following the worldwide success of BLPA's Volume I (British Local Posts) and II (Modern USA and Canadian Locals) the Island of Pabay (CD Sales) is proud to offer this work, again compiled and edited by Ralph Philips and Alfred Jost to the many collectors who are interested in the varied and exciting world of Modern British Railway Stamps.

The size of the CD is about 220Mb (equivalent to 300 A4 pages) and should be easily accessible on most PCs with a CD drive.
