

New Cover for Pabay

A charming new envelope has been designed by Louise Cunningham

The design shows the visiting Bottle Nosed Whales that visited Broadford Bay some years ago, we do hope that they will return soon! In the middle ground is the Island of Pabay and in the background are the distinctive outlines of the Cullen Hills.

Louise Cunningham

I was born in 1981 in Fife, Scotland. Having successfully completed a BA (Honours) and Diploma in Illustration in July 2005, I started my own illustration company, Paper Alligator Ltd. in September 2005. Since then, I have been appearing in exhibitions and art fairs as well as carrying out freelance projects. I'm available for commissions, and offer a scanning, printing and framing service.
